My dear Gray

I wrote a line to acknowledge
with thanks yours of the 12th recd
this morning with your card of the
13th and the draft for £6.0.0

The four copies of the 2 vols
are done up and directed to their
owners, marked paid and will
be sent off with the 27 of vol III.
part 1 as soon as ever I get them
& this day return for prep the last
proof of index title etc so that
now there is only the striking off
and the binding which I prep on

as much as I can

Yours ever sincerely

George Deutham
